## Settle Down - Kimbra

I wanna settle down I wanna settle down Won't you settle down with me? Settle down

We can settle at a table
A table for two
Won't you wine and dine with me?
Settle down

I wanna raise a child I wanna raise a child Won't you raise a child with me Raise a child

We'll call her Nebraska Nebraska Jones She'll have your nose Just so you know

I wanna settle down I wanna settle down Won't you settle down with me? Settle down

Run from Angela Vickers
I saw her with you
Monday morning small talking on the avenue
She's got a fancy car
She wants to take you far
From the city lights and sounds deep into the dark

Star so light and star so bright First star i see tonight! Star so light and star so bright Keep him by side! I wanna settle down I wanna settle down Won't you settle down with me? Settle down

We can settle at a table A table for two Won't you wine and dine with me? Settle down

Star so light and star so bright First star i see tonight! Star so light and star so bright Keep him by side!

I wanna settle down
I wanna settle down
Baby there's no need to run
I'll love you well
I wanna settle down
It's time to bring you down
On just one knee for now
Lets make our vows

Star so light and star so bright First star i see tonight! Star so light and star so bright Keep him by side!
