

Use somebody (acoustic cover) – Kings of Leon

I've been roaming around,
I was looking down at all I see
Painted faces fill the places I can't reach
You know that I could use somebody
You know that I could use somebody
Someone like you and all you know
And how you speak
Countless lovers under cover of the street
You know that I could use somebody
You know that I could use somebody
Someone like you
Someone like you
Off in the night while you live it up
I'm off to sleep
Waging wars to shake the poet and the beat
I hope it's gonna make you notice
I hope it's gonna make you notice
Someone like me, someone like me
I'm ready now, I'm ready now
I'm ready now, I'm ready now
I'm ready now, I'm ready now
I'm ready now
Someone like you, somebody
Someone like you, somebody
Someone like you, somebody
I've been roaming around,
I was looking down at all I see
