## Use somebody (acoustic cover) - Kings of Leon

I've been roaming around, I was looking down at all I see Painted faces fill the places I can't reach You know that I could use somebody You know that I could use somebody Someone like you and all you know And how you speak Countless lovers under cover of the street You know that I could use somebody You know that I could use somebody Someone like you Someone like you Off in the night while you live it up I'm off to sleep Waging wars to shake the poet and the beat I hope it's gonna make you notice I hope it's gonna make you notice Someone like me, someone like me I'm ready now, I'm ready now I'm ready now, I'm ready now I'm ready now, I'm ready now I'm ready now Someone like you, somebody Someone like you, somebody Someone like you, somebody I've been roaming around, I was looking down at all I see
