

Here to Stay – Korn

This time, I'm taking it away
I've got a problem
With me getting in the way
Not by design
So I take my face
And bash it into a mirror
I won't have to see the pain
Pain, pain
This state is elevating
As the hurt turns into hating
Anticipating all the fucked up feelings again
The hurt inside is fading
This shit's gone way too far
All this time, I've been waiting
Oh, I cannot grieve anymore
For what's inside awaking
I'm not, I'm not a whore
You've taken everything
And, oh, I cannot give any more
My mind's done with this, okay?
I've got a question
Can I throw it all away?
Take back what's mine
So I take my time
Guiding the blade down the line
Each cut closer to the vein
Vein, vein
This state is elevating
As the hurt turns into hating
Anticipating all the fucked up feelings again
The hurt inside is fading
This shit's gone way too far
All this time, I've been waiting
Oh, I cannot grieve anymore
For what's inside awaking
I'm not, I'm not a whore

You've taken everything
And, oh, I cannot give any more
I'm here to stay
Bring it down
I'm here to stay
Bring it down
I'm here to stay
Bring it down
I'm here to stay
Bring it down
Bring it down
Bring it down
Bring it down
Gonna break it down, gonna break it down
Gonna break it down, gonna break it down
Gonna break it down, gonna break it down
Gonna break it down, gonna break it
This state is elevating
As the hurt turns into hating
Anticipating all the fucked up feelings again
The hurt inside is fading
This shit's gone way too far
All this time, I've been waiting
Oh, I cannot grieve anymore
For what's inside awaking
I'm not, I'm not a whore
You've taken everything
And, oh, I cannot give any more
Give any more
Give any more
Give any more
Give any more
