Here to Stay - Korn

This time, I'm taking it away I've got a problem With me getting in the way Not by design So I take my face And bash it into a mirror I won't have to see the pain Pain, pain This state is elevating As the hurt turns into hating Anticipating all the fucked up feelings again The hurt inside is fading This shit's gone way too far All this time, I've been waiting Oh, I cannot grieve anymore For what's inside awaking I'm not, I'm not a whore You've taken everything And, oh, I cannot give any more My mind's done with this, okay? I've got a question Can I throw it all away? Take back what's mine So I take my time Guiding the blade down the line Each cut closer to the vein Vein, vein This state is elevating As the hurt turns into hating Anticipating all the fucked up feelings again The hurt inside is fading This shit's gone way too far All this time, I've been waiting Oh, I cannot grieve anymore For what's inside awaking

I'm not, I'm not a whore

You've taken everything

And, oh, I cannot give any more

I'm here to stay

Bring it down

Bring it down

Bring it down

Bring it down

Gonna break it down, gonna break it

This state is elevating

As the hurt turns into hating

Anticipating all the fucked up feelings again

The hurt inside is fading

This shit's gone way too far

All this time, I've been waiting

Oh, I cannot grieve anymore

For what's inside awaking

I'm not, I'm not a whore

You've taken everything

And, oh, I cannot give any more
