

A Tiger – K.P.T

This tiger!
I'm 13 years old
Rapping already know how well
Today will tell you what a tiger clans
It is razor-sharp and stone
Harm you can do children, beware!
Okey, I admint I've seen it
But this is after all what?
Okey, It's time for Tiger x2
A tiger
A tiger
A tiger
A tiger
So the time came for the second verse
A second we liked
But i'll tell after I released him from the zoo
Oh, those bodyguards!
Same sh*t these days
And the same b**ches in a cicrle
