

Stay – Krzysztof Kiljański

Stay in my arms
Stay in my arms
You know that I am
Just for you
Stay in my arms
Stay in my mind
And i'll always be here
To holding you
That first (first)
Thrill (thrill)
Could be like a song
When you need somebody
And when i'm all alone
So
Stay in my arms
Stay in my arms
Stay in my heart
Stay in my heart
You know that i'll be
In yours too
Stay in my heart
Just stay in my mind
And i'll always be here
To holding you
That first (first)
Thrill (thrill)
Could be like a song
When you need somebody
And when i'm all alone
So
Stay in my arms
Stay in my arms
Stay in my arms
Stay in my arms
