

# Stay – Krzysztof Kiljański

Stay in my arms  
Stay in my arms  
You know that I am  
Just for you  
Stay in my arms  
Stay in my mind  
And i'll always be here  
To holding you  
That first (first)  
Thrill (thrill)  
Could be like a song  
When you need somebody  
And when i'm all alone  
So  
Stay in my arms  
Stay in my arms  
Stay in my heart  
Stay in my heart  
You know that i'll be  
In yours too  
Stay in my heart  
Just stay in my mind  
And i'll always be here  
To holding you  
That first (first)  
Thrill (thrill)  
Could be like a song  
When you need somebody  
And when i'm all alone  
So  
Stay in my arms  
Stay in my arms  
Stay in my arms  
Stay in my arms
