## Stay - Krzysztof Kiljański

Stay in my arms

Stay in my arms

You know that I am

Just for you

Stay in my arms

Stay in my mind

And i'll always be here

To holding you

That first (first)

Thrill (thrill)

Could be like a song

When you need somebody

And when i'm all alone

So

Stay in my arms

Stay in my arms

Stay in my heart

Stay in my heart

You know that i'll be

In yours too

Stay in my heart

Just stay in my mind

And i'll always be here

To holding you

That first (first)

Thrill (thrill)

Could be like a song

When you need somebody

And when i'm all alone

So

Stay in my arms

Stay in my arms

Stay in my arms

Stay in my arms
