

# Thick of It – KSI (feat. Trippie Redd)

I'm in the thick of it, everybody knows  
They know me where it snows, I skied in  
And they froze  
I don't know no nothin' 'bout no ice,  
I'm just cold  
Forty somethin' milli' subs or so, I've  
Been told  
I'm in my prime, and this ain't even  
Final form  
They knocked me down, but still, my feet,  
They find the floor  
I went from living rooms straight out to  
Sold-out tours  
Life's a fight, but trust, I'm ready for  
The war  
Woah-oh-oh  
This is how the story goes  
Woah-oh-oh  
I guess this is how the story goes  
I'm in the thick of it, everybody knows  
They know me where it snows, I skied in  
And they froze  
I don't know no nothin' 'bout no ice,  
I'm just cold  
Forty somethin' milli' subs or so, I've  
Been told  
From the screen to the ring, to the pen,  
To the king  
Where's my crown? That's my bling, always  
Drama when I ring  
See, I believe that if I see it in my  
Heart  
Smash through the ceiling 'cause I'm  
Reaching for the stars  
Woah-oh-oh  
This is how the story goes

Woah-oh-oh

I guess this is how the story goes

I'm in the thick of it, everybody knows

They know me where it snows, I skied in

And they froze (Woo)

I don't know no nothin' 'bout no ice,

I'm just cold

Forty somethin' milli' subs or so, I've

Been told

Highway to heaven, I'm just cruisin' by

My lone'

They cast me out, left me for dead, them

People cold

My faith in God, mind in the sun, I'm

'bout to sow (Yeah)

My life is hard, I took the wheel, I

Cracked the code

Ain't nobody gon' save you, man, this

Life will break you

In the thick of it, this is how the

Story goes

I'm in the thick of it, everybody knows

They know me where it snows, I skied in

And they froze (Woo)

I don't know no nothin' 'bout no ice,

I'm just cold

Forty somethin' milli' subs or so, I've

Been told

I'm in the thick of it, everybody knows

They know me where it snows, I skied in

And they froze

I don't know no nothin' 'bout no ice,

I'm just cold

Forty somethin' milli' subs or so, I've

Been told

Woah-oh-oh

This is how the story goes

Woah-oh-oh

I guess this is how the story goes
