Sappy - Kurt Cobain

And if you save yourself You will make him happy He'll keep you in a jar And you'll think you're happy He'll give you breathing holes And you'll think you're happy He'll cover you with grass And you'll think you're happy now You're in a laundry room You're in a laundry room The clues that came to you, oh And if you cut yourself You will think you're happy He'll keep you in a jar Then you'll make him happy He'll give you breathing holes Then you'll think you're happy He'll cover you with grass Then you'll think you're happy now You're in a laundry room You're in a laundry room The clues that came to you, oh And if you fool yourself You will make him happy He'll keep you in a jar Then you'll think you're happy He'll give you breathing holes Then you will seem happy You'll wallow in the shit Then you'll think you're happy now You're in a laundry room You're in a laundry room The clues that came to you, oh
