

Raging – Kygo

Standing in the cold
In the frozen wind
I'm leaving you behind
But it's not the end

No, no, no

Walking on a plain
As I hold my breath
It's gonna be weeks
Till I breathe again

No, no, no

I know that you hate it
And I hate it
Just as much as you
But if you can brave it,
I can brave it
Brave it all for you

Call me anytime that,
You see the lightning
Don't you feel alone,
You can always find me
We've got our wild love!
Raging, raging
Lost among a million
Changing faces
Every day our hearts,
Keep trading places
We've got our wild love!
Raging, raging

Raging, raging
Raging, raging

Raging, raging

Checking into hotel loneliness
It's not what I've been used to,
I confess
So wake up three times a night
Talking to a stranger's
Nothing new
She knows how to smile,
But not like you
So I wait for you all night!

I know that you hate it
And I hate it
Just as much as you
But if you can brave it,
I can brave it
Brave it all for you

Call me anytime that,
You see the lightning
Don't you feel alone,
You can always find me
We've got our wild love!
Raging, raging
Lost among a million
Changing faces
Every day our hearts,
Keep trading places
We've got our wild love!
Raging, raging

Raging, raging

Call me anytime that,
You see the lightning
Don't you feel alone,
You can always find me
We've got our wild love!
Raging, raging

Rolling on the wind with
You forever
Holding onto us for
Worse or better
We've got our wild love!
Raging, raging

Raging, raging
Raging, raging

Call me anytime that,
You see the lightning
Never feel alone,
You can always find me
We've got our wild love!
Raging, raging
