

Love at first sight – Kylie Minogue

Thought that I was going crazy
Just having one of those days yeah
Didn't know what to do
Then there was you
.....And everything went from wrong to right
And the stars came out
And filled up the sky
The music you were playing really blew
My mind
It was love at first sight
'Cause, baby, when I heard you
For the first time, I knew
We were meant to be as one
...Was tired of running out of luck
Thinking 'bout giving up yeah
Didn't know what to do
Then there was you
And everything went from wrong to right
And the stars came out
And filled up the sky
The music you were playing really
Blew my mind
It was love at first sight
'Cause, baby, when I heard you
For the first time I knew
We were meant to be as one
(Meant to be as one)
'Cause, baby, when I heard you
For the first time I knew
We were meant to be as one
Solo
Everything went from wrong to right
And the stars came out
And filled up the sky
The music you were playing really blew
My mind It was love at first sight

Love at first sight, love at first sight
Love, ooh, it was love,
It was love at first sight
Cause, baby, when I heard you
For the first time I knew
We were meant to be as one
(Meant to be as one)
'Cause, baby, when I heard you
For the first time I knew
We were meant to be as one
It was love, it was love, it was love,
It was love
Ooh, it was love, it was love, it was love,
It was love
Ooh, it was love, it was love, it was love,
It was love
