

Only You feat. James Corden – Kylie Minogue

TY: Looking from a window above

It's like a story of love

Can you hear me?

JA: Came back only yesterday

I'm moving farther away

Want you near me

RAZEM: All I needed was the love you gave

All I needed for another day

And all I ever knew

TY: Only you

JA: Sometimes when I think of your name

And it's only a game

And I need you

TY: Listen to the words that you say

It's getting harder to stay

When I see you

RAZEM: All I needed was the love you gave

All I needed for another day

And all I ever knew

Only you

RAZEM: Ba da (ba da)

Ba da (ba da)

Ba da da da

Ba da da da, ba da da da

Da da da da

Ba da (ba da)

Ba da (ba da)

Ba da da da da da da

Da da da da, ba da da

Da da da da

RAZEM: All I needed was the love you gave
All I needed for another day
And all I ever knew
Only you

TY: This is gonna take a long time
And I wonder what's mine
Can't take no more

JA: Wonder if you'll understand
It's just the touch of your hand

RAZEM: Behind a closed door
All I needed was the love you gave
All I needed for another day
And all I ever knew
Only you
