

Don't Stop – Laban

Up and down and round we go
We're all searching for the same
But how will we know
If it's a game?
(If it's a game)
Close your eyes and let's kiss
Why don't you take me in your arms?
When it's you I miss
This must be love
Don't stop loving me
Don't ever stop loving me
When I think of all that we've been through
I will never stop loving you
Waking up by my side
Lookin' beautiful
So close, so real
That I just can't hide
The way that I feel
Up and down and round we go
We're all searching for the same
But how will we ever know
If it's a game?
(As long as we're together)
Don't stop loving me
Don't ever stop loving me
When I think of all that we've been through
I will never stop loving you
Don't stop loving me
Don't ever stop loving me
When I think of all that we've been through
I will never stop
Never gonna stop
Loving you, girl
Loving you, girl
Never ever gonna stop
Don't you know I'm

Never gonna give up?
(Never gonna give up on you, girl)
Together we can make it through
