

# I'm Tired – Labrinth

Hey, Lord, you know I'm tired  
Hey, Lord, you know I'm tired  
Hey, Lord, you know I'm tired of tears  
Hey, Lord, just cut me loose  
Hey, Lord, you know I'm fighting  
Hey, Lord, you know I'm fighting  
I'm sure this world is done with me  
Hey, Lord, you know it's true  
Now the tide is rolling in  
I don't wanna win  
Let it take me, let it take me  
I'll be on my way, how long can I stay?  
In a place that can't contain me  
Hey, Lord, you know I'm tired  
Hey, Lord, you know I'm tired
