

# Jealous – Labrinth

I'm jealous of the rain  
That falls upon your skin  
It's closer than my hands have been  
I'm jealous of the rain  
I'm jealous of the wind  
That ripples through your clothes  
It's closer than your shadow  
Oh, I'm jealous of the wind, 'cause

I wished you the best of  
All this world could give  
And I told you when you left me  
There's nothing to forgive  
But I always thought you'd come back, tell me  
All you found was heartbreak and misery  
It's hard for me to say,  
I'm jealous of the way  
You're happy without me

I'm jealous of the nights  
That I don't spend with you  
I'm wondering who you lay next to  
Oh, I'm jealous of the nights  
I'm jealous of the love  
Love that was in here  
Gone for someone else to share  
Oh, I'm jealous of the love, 'cause

I wished you the best of  
All this world could give  
And I told you when you left me  
There's nothing to forgive  
But I always thought you'd come back, tell me  
All you found was heartbreak and misery  
It's hard for me to say,  
I'm jealous of the way

You're happy without me

As I sink in the sand

Watch you slip through my hands

Oh, as I die here another day

'Cause all I do is cry behind this smile

I wished you the best of all this world could give

And I told you when you left me

There's nothing to forgive

But I always thought you'd come back, tell me

All you found was heartbreak and misery

It's hard for me to say,

I'm jealous of the way

You're happy without me

It's hard for me to say,

I'm jealous of the way

You're happy without me
