Need You Now - Lady Antebellum

Picture perfect memories Scattered all around the floor Reaching for the phone 'cause, I can't fight it anymore And I wonder if I ever cross your mind For me it happens all the time It's a quarter after one, I'm all alone and I need you now Said I wouldn't call but I lost all control And I need you now And I don't know how I can do without, I just need you now Another shot of whiskey, Can't stop looking at the door Wishing you'd come sweepin' In the way you did before And I wonder if I ever cross your mind For me it happens all the time It's a quarter after one, I'm a little drunk, And I need you now Said I wouldn't call But I lost all control and I need you now And I don't know how I can do without, I just need you now Whoa oh whoa Guess I'd rather hurt than feel nothing at all It's a quarter after one, I'm all alone and I need you now And I said I wouldn't call But I'm a little drunk and I need you now And I don't know how I can do without,

I just need you now

I just need you now Oh baby I need you now ooh ooh
