

# 911 – Lady Gaga

Turnin' up emotional faders  
Keep repeating self-hating phrases  
I have heard enough of these voices  
Almost like I have no choice  
This is biological stasis  
My mood's shifting to manic places  
Wish I laughed and kept the good friendships  
Watch life, here I go again  
I can't see me cry  
Can't see me cry ever again  
(Ooh) I can't see me cry  
Can't see me cry, this is the end  
(Ooh) My biggest enemy is me, pop a 911  
My biggest enemy is me, pop a 911  
My biggest enemy is me ever since day one  
Pop a 911, then pop another one  
Keep my dolls inside diamond boxes  
Save 'em 'til I know I'm gonna drop this  
Front I've built around me, oasis  
Paradise is in my hands  
Holdin' on so tight to this status  
It's not real, but I'll try to grab it  
Keep myself in beautiful places  
Paradise is in my hands  
I can't see me cry  
Can't see me cry ever again (Ooh)  
I can't see me cry Can't see me cry,  
This is the end (Ooh) My biggest enemy is me  
, pop a 911 My biggest enemy is me,  
pop a 911 My biggest enemy is me  
ever since day one Pop a 911,  
then pop another one Pop,  
Pop another one (Ooh) Pop a 911,  
Then pop another one (Ooh) I can't see me cry  
Can't see me cry ever again (Ooh)  
I can't see me cry Can't see me cry,

this is the end (Ooh) My biggest enemy is me  
, pop a 911 My biggest enemy is me,  
Pop a 911  
My biggest enemy is me ever since day one  
Pop a 911, then pop another one
