

# A-Yo – Lady Gaga

Here we go!

I can't wait to smoke them all

Whole pack like Marlboro

Blow it in your face

Blow it in your face

Blow it in your, blow it in your face

I can't wait to rev you up

Faster than you can say "Ferrari"

Tearin' up the gravel

Watch you unravel

Now it's a party

Hey,

I can't wait to cast my spell

Which one, you'll never tell

'Cause I got it covered

City gravy southern

Got you drippin' like no other

Get off on me

My body's got you pleadin'

Light me up and breathe in

Mirror on the ceilin'

Off on me

My body's got you pleadin'

Light me up and breathe in

Mirror on the ceilin'

A-YO, A-YO

We smokin' 'em all

A-YO, A-YO

We smokin' 'em all

A-YO, A-YO

We smokin' 'em all

A-YO, A-YO

I can't wait to blaze for real

Track burns like a road rail

Spin it in your face

Spin it in your face

Play it in your, play it in your face  
Can't wait to get you shook up  
Faster than you can try to hate it  
You can try to hate it  
You can try to fake it  
But baby, I laced it  
Get off on me  
My body's got you pleadin'  
Light me up and breathe in  
Mirror on the ceilin'  
Off on me  
My body's got you pleadin'  
Light me up and breathe in  
Mirror on the ceilin'  
A-YO, A-YO
