

# Always remember us this way – Lady Gaga & Bradley Cooper

That Arizona sky burning in your eyes  
You look at me and, babe, I wanna catch on fire  
It's buried in my soul like California gold  
You found the light in me that I couldn't find

So when I'm all choked up  
And I can't find the words  
Every time we say goodbye  
Baby, it hurts  
When the sun goes down  
And the band won't play  
I'll always remember us this way

Lovers in the night  
Poets trying to write  
We don't know how to rhyme  
But damn we try  
But all I really know  
You're where I wanna go  
The part of me that's you will never die

So when I'm all choked up  
But I can't find the words  
Every time we say goodbye  
Baby, it hurts  
When the sun goes down  
And the band won't play  
I'll always remember us this way

Oh, yeah  
I don't wanna be just a memory, baby, yeah

When I'm all choked up  
But I can't find the words  
Every time we say goodbye

Baby, it hurts  
When the sun goes down  
And the band won't play  
I'll always remember us this way, oh, yeah

When you look at me  
And the whole world fades  
I'll always remember us this way
