

Is that alright – Lady Gaga & Bradley Cooper

Life is so simple
A little boy, a little girl
Laughing and loving
Trying to figure out the world
It felt like summer
When I kissed you in the rain
And I know your story
But tell me again

[Pre-Chorus 1: Lady Gaga]
Nothing you said wouldn't interest me
All of your words are like poems to me
I would be honored if you would take me as I am

[Chorus: Lady Gaga]
I want you to look right in my eyes
To tell me you love me, to be by my side
I want you at the end of my life
I wanna see your face, when I fall with grace
At the moment I die
Is that alright?
Is that alright?

[Verse 2: Lady Gaga]
I hope you're still with me when I'm not quite myself
And I pray that you'll lift me when you know I need help
It's a warm celebration of all of our years
I dream of our story, of our fairy tale

[Pre-Chorus 2: Lady Gaga]
Family dinners and family trees
Teaching the kids to say thank you and please
Know that if we stay together that things will be right

[Chorus: Lady Gaga]
I want you to look right in my eyes

To tell me you love me, to be by my side
I want you at the end of my life
I wanna see your face, when I fall with grace
At the moment I die
Is that alright?
Is that alright?
Is that alright?
