

Die With A Smile – Lady Gaga, Bruno Mars

I, I just woke up from a dream
Where you and I had to say goodbye
And I don't know what it all means
But since I survived, I realized
Wherever you go, that's where
I'll follow
Nobody's promised tomorrow
So I'ma love you every night
Like it's the last night
Like it's the last night
If the world was ending
I'd wanna be next to you
If the party was over
And our time on Earth was through
I'd wanna hold you just for a while
And die with a smile
If the world was ending
I'd wanna be next to you
Wooh-oh lost
Lost in the words that we scream
I don't even wanna do this anymore
'Cause you already know what
You mean to me
And our love's the only war
Worth fighting for
Wherever you go, that's where
I'll follow
Nobody's promised tomorrow
So I'ma love you every night
Like it's the last night
Like it's the last night
If the world was ending
I'd wanna be next to you
If the party was over
And our time on Earth was through
I'd wanna hold you just for a while

And die with a smile
If the world was ending
I'd wanna be next to you
Right next to you
Next to you
Right next to you
Ah-ah-ah-ah
(instrumental)
If the world was ending
I'd wanna be next to you
If the party was over
And our time on Earth was through
I'd wanna hold you
Just for a while
And die with a smile
If the world was ending
I'd wanna be next to you
If the world was ending
I'd wanna be next to you
Uhuuu
I'd wanna be next to you
