

Diamond heart – Lady Gaga

Young wild american
Lookin' to be somethin'
Out of school go-go'n
For a hundred or two

Some asshole broke me in
Wrecked all my innocence
I'll just keep go-go'n
And this dance is on you

One – five – ten, lay a million on me
Before the end of this song

Young wild american
C'mon baby, do you have a girlfriend?
Rain on me a million
I'm not flawless but i gotta diamond heart
Oh, i
I might not be flawless but you know
I gotta diamond heart
Oh, i
I might not be flawless but you know
I gotta diamond... heart

Young wild american
Head full of jameson
Girl's playin' bad cause it doesn't pay to be good

A cruel king made me tough
Daddy's girl's never good enough
I'll just keep go-go'n
'cause this dance is on you

One – five – ten, lay a million on me
Before the end of this song

Young wild american
C'mon baby, do you have a girlfriend?
Rain on me a million
I'm not flawless but i gotta diamond heart
Oh, i
I might not be flawless but you know
I gotta diamond heart
Oh, i
I might not be flawless but you know
I gotta diamond... heart

Good thing i know what i'm worth
Want a good thing put the money down first
Better get a good look baby
'cause soon i'm breaking out of here

Young wild american
C'mon baby, do you have a girlfriend?
Rain on me a million
I'm not flawless but i gotta diamond heart
Oh, i
I might not be flawless but you know
I gotta diamond heart
Oh, i
I might not be flawless but you know
I gotta diamond... heart
