

# Perfect Illusion – Lady Gaga

Tryin' to get control  
Pressure's takin' its toll  
Stuck in the middle zone  
I just want you alone  
My guessing game is strong  
Way too real to be wrong  
Caught up in your show  
Yeah, at least now I know

It wasn't love, it wasn't love  
It was a perfect illusion (Perfect illusion)  
Mistaken for love, it wasn't love  
It was a perfect illusion (Perfect illusion)  
You were a perfect illusion

I don't need eyes to see  
I felt you touchin' me  
High like amphetamine  
Maybe you're just a dream  
That's what it means to crush  
Now that I'm wakin' up  
I still feel the blow  
But at least now I know

It wasn't love, it wasn't love  
It was a perfect illusion (Perfect illusion)  
Mistaken for love, it wasn't love  
It was a perfect illusion (Perfect illusion)

Where are you?  
Cause I can't see you  
It was a perfect illusion  
But I feel you watchin' me  
Dilated, falling free  
In a modern ecstasy  
Where are you?

Cause I can't see you  
It was a perfect illusion  
But I feel you watchin' me  
But I feel you watchin' me  
Illusion  
But I feel you watchin' me  
Mistaken for love  
Where were you  
Cause I can't see  
But I feel you watchin' me  
Mistaken for love  
Dilated, falling free  
In a modern ecstasy  
Mistaken for love  
In a modern ecstasy  
In a modern ecstasy

I'm over the show  
Yeah at least now I know

It wasn't love, it wasn't love  
It was a perfect illusion (Perfect illusion)  
Mistaken for love, it wasn't love  
It was a perfect illusion (Perfect illusion)  
You were a perfect illusion  
You were a perfect illusion  
It was a perfect illusion  
Somewhere in all the confusion  
It was a perfect illusion, illusion (illusion)

Where were you 'cause I can't see it  
It was perfect illusion  
But I feel you watchin' me, baby  
Somewhere in all the confusion  
Dilated, fallin' free  
You were so perfect  
In a modern ecstasy  
You were a perfect illusion
