

The Dead Dance – Lady Gaga

Like the words of a song
I hear you call
Like a thief in my head
You criminal
You stole my thoughts
Before I dreamed them
And you killed my queen
With just one pawn

This goodbye is no surprise
This goodbye won't make me cry

Yeah, I'll keep on
Dancin' until I'm dead
Dancin' until I'm dead
I'm dancin' until I'm dead
Yeah, I'll keep on
Dancin' until I'm de-e-e-e-ead
I'll dance until I'm dead
'Cause when you killed me inside
That's when I came alive
Yeah, the music's gonna
Bring me back from death
I'm dancin' until I'm de-e-e-e-ead
I'll dance until I'm dead

You've created a creature
Of the night
Now I'm haunting your air
Your soul, your eyes

This goodbye is no surprise
This goodbye won't make me cry

Yeah, I'll keep on
Dancin' until I'm dead

Dancin' until I'm dead
I'm dancin' until I'm dead
Yeah, I'll keep on
Dancin' until I'm de-e-e-e-ead
I'll dance until I'm dead
'Cause when you killed me inside
That's when I came alive
Yeah, the music's gonna
Bring me back from death
I'm dancin' until I'm de-e-e-e-ead
I'll dance until I'm dead

Do the dead dance
Eeh-eeh-eeh-eeh, dance
Do the dead dance
Eeh-eeh-eeh-eeh, dance
Do the dead dance
Eeh-eeh-eeh-eeh, dance
Do the dead dance
But I'm alive on the dance floor

And I'm dancin'
Until I'm de-e-e-e-ead
Yeah, I'll keep on
Dancin' until I'm de-e-e-e-e-ead
I'll dance until I'm dead
'Cause when you killed me inside
That's when I came alive
And the music's gonna
Bring me back from death
I'm dancin' until I'm de-e-e-e-ead
I'll dance until I'm dead
