Born To Die – Lana Del Rey

My, who me, my Feet don't fail me now Take me to the finish line Ohh my heart it breaks every step that I take But I'm hoping at the gates, They'll tell me that you're mine Walking through the city streets Is it by mistake or design I feel so alone on the friday night Can you make it feel like home, if I tell you you're mine

Is like i told you honey

Don't make me sad, don't make me cry Sometimes love is not enough and the road gets tough I don't know why Keep making me laugh, Lets go get high The road is long, we carry on Try to have fun in the meantime

Come and take a walk on the wild side Let me kiss you hard in the pouring rain You like your girls insane, so Choose your last words This is the last time 'Cause you and I We were born to die

Lost but now I am found I can see but once I was blind I was so confused as a little child Trying to take what I could get Scared that I couldn't find All the answers honey Don't make me sad, don't make me cry Sometimes love is not enough and the road gets tough I don't know why Keep making me laugh, Lets go get high The road is long, we carry on Try to have fun in the meantime

Come and take a walk on the wild side Let me kiss you hard in the pouring rain You like your girls insane Choose your last words, This is the last time Cause you and I We were born to die We were born to die We were born to die

Come and take a walk on the wild side Let me kiss you hard in the pouring rain You like your girls insane

Don't make me sad, don't make me cry Sometimes love is not enough when the road gets tough I don't know why Keep making me laugh, Lets go get high The road is long, we carry on Try to have fun in the meantime

Come and take a walk on the wild side Let me kiss you hard in the pouring rain You like your girls insane Choose your last words, This is the last time Cause you and I We were born to die We were born to die
