

# Chemtrails Over the Country Club – Lana Del Rey

I'm on the run with you, my sweet love  
There's nothing wrong contemplating God  
Under the chemtrails over the country club  
Wearing our jewels in the swimming pool  
Me and my sister just playing it cool  
Under the chemtrails over the country club  
Take out your turquoise  
And all of your jewels  
Go to the market,  
The kids' swimming pools  
Baby, what's your sign?  
My moon's in Leo, my Cancer is sun  
You won't play,  
You're no fun  
Well, I don't care what they think  
Drag racing my little red sports car  
I'm not unhinged or unhappy,  
I'm just wild  
I'm on the run with you, my sweet love  
There's nothing wrong contemplating God  
Under the chemtrails over the country club  
Wearing our jewels in the swimming pool  
Me and my sister just playing it cool  
Under the chemtrails over the country club  
Meet you for coffee  
At the elementary schools  
We laugh about nothing  
As the summer gets cool  
It's beautiful how this deep  
Normality settles down over me  
I'm not bored or unhappy,  
I'm still so strange and wild  
You're in the wind, I'm in the water  
Nobody's son, nobody's daughter  
Watching the chemtrails over the country club

Suburbia, The Brentwood Market  
What to do next? Maybe we'll love it  
White picket chemtrails over the country club  
My love, my love  
Washing my hair, doing the laundry  
Late-night TV, I want you only like  
When we were kids under chemtrails and  
Country clubs  
It's never too late, baby, so don't give up  
It's never too late, baby, so don't give up  
Under the chemtrails  
Over the country club,  
Yeah  
Under the chemtrails  
Over the country club,  
Yeah  
My Cancer is sun and my Leo is moon  
My Cancer is sun and my Leo is moon
