

Cinnamon Girl – Lana Del Rey

Cinnamon in my teeth
From your kiss, you're touching me
All the pills that you did
Violet, blue, green, red
To keep me at arm's length Don't work
You try to push me out,
But I just find my way back in
Violet, blue, green, red
To keep me out, I win
There's things I wanna say to you,
But I'll just let you live
Like if you hold me without hurting me
You'll be the first who ever did
There's things I wanna talk about,
But better not to give
But if you hold me without hurting me
You'll be the first who ever did
Ah, ah, ah, ah, ah, ah
Ah, ah, ah, ah, ah, ah
Hold me, love me, touch me, honey
Be the first who ever did
Ah, ah, ah, ah, ah, ah
Ah, ah, ah, ah, ah, ah
Hold me, love me, touch me, honey
Be the first who ever did
Kerosene in my hands
You make me mad, I'm fire again
All the pills that you dig
Violet, blue, green, red
To keep me at arm's length don't work
There's things I wanna say to you,
But I'll just let you live
Like if you hold me without hurting me
You'll be the first who ever did
There's things I wanna talk about,
But better not to give

But if you hold me without hurting me
You'll be the first who ever did
Ah, ah, ah, ah, ah, ah
Ah, ah, ah, ah, ah, ah
Hold me, love me, touch me, honey
Be the first who ever did
Ah, ah, ah, ah, ah, ah
Ah, ah, ah, ah, ah, ah
Hold me, love me, touch me, honey
Be the first who ever did
There's things I wanna say to you,
But I'll just let you live
Like if you hold me without hurting me
You'll be the first who ever did
There's things I wanna talk about
But better not to give
Like if you hold me without hurting me
You'll be the first who ever did
