

# God Knows I Tried – Lana Del Rey

Sometimes I wake up in the morning  
To red, blue, and yellow skies  
It's so crazy I could drink it  
Like tequila sunrise

Put on that Hotel California  
Dance around like I'm insane  
I feel free when I see no one  
And nobody knows my name

God knows I lived  
God knows I died  
God knows I begged  
Begged, borrowed and cried  
God knows I loved  
God knows I lied  
God knows I lost  
God gave me life

And God knows I tried  
God knows I tried  
God knows I tried  
God knows I tried

Sometimes I wake up in the morning  
To red, blue and yellow lights  
On Monday they destroy me  
But by Friday I'm revived

Put on that hotel California  
Wear my blinders in the rain  
I've got nothing much to live for  
Ever since I found my fame

God knows I lived  
God knows I died

God knows I loved  
God knows I lied  
God knows I begged  
Begged, borrowed and cried  
God knows I lost  
God gave me life

And God knows I tried  
God knows I tried  
God knows I tried  
God knows I tried

So let there be light  
Let there be light  
Light up my life  
Light up my life  
Let there be light  
Let there be light  
Light up my life  
Light up my life

God knows I tried  
God knows I tried  
God knows I tried  
God knows I tried  
God knows I tried  
God knows I tried  
God knows I tried  
God knows I tried
