

Honeymoon – Lana Del Rey

We both know that it's not fashionable to
Love me,
but you don't go cause truly there's
Nobody for you but me
We could cruise to the blues -Wilshire Boule-
Vard
if we choose Or whatever you want to do,
We make the rules

Our honeymoon
Our honeymoon
Our honeymoon
Say you want me too
Say you want me too
Dark blue
Dark blue

We both know the history of violence that
Surrounds you
But I'm not scared, there's nothing to lose now
That I've found you
We could cruise to the news -
Pico blvd in your used little bullet car if
We choose,
Mr Born to lose

Our honeymoon
Our honeymoon
Our honeymoon
Say you want me too
Say you want me too
Dark blue
Dark blue

There are violets in your eyes
There are guns that blase around you

There are roses in between my thighs and fire
That surrounds you
It's no wonder every man in town had neither
Fought nor found you – everything you do is
Elusive to even your honey dew

Our honeymoon
Our honeymoon
Our honeymoon
Dreaming away your life
Dreaming away your life
Dreaming away your life
