

# Music To Watch Boys To – Lana Del Rey

(I like you a lot)

Putting on my music while I'm watching the boys

(So I do what you want)

Singing soft grunge just to soak up the noise

(Blue Ribbons on ice)

Playing their guitars, only one of my toys

(Cause I like you a lot)

No holds barred, I've been sent to destroy, yeah

Pink flamingos always fascinated me

I know what only the girls know

Know what lies akin to me

I, I see you're going

So I play my music, watch you leave

(I like you a lot)

Putting on my music while I'm watching the boys

(So I do what you want)

Singing soft grunge just to soak up the noise

(Blue Ribbons on ice)

Playing their guitars, only one of my toys

(Cause I like you a lot)

No holds barred, I've been sent to destroy, yeah

Velveteen and living single

It never felt that right to me

I know what only the girls know

Lies can buy eternity

I, I see you leaving

So I push record and watch you leave

(I like you a lot)

Putting on my music while I'm watching the boys

(So I do what you want)

Singing soft grunge just to soak up the noise  
(Blue Ribbons on ice)  
Playing their guitars, only one of my toys  
(Cause I like you a lot)  
No holds barred, I've been sent to destroy, yeah

Live to love you  
And I love to love you  
And I live to love you, boy  
Live to love you  
And I love to love you  
And I live to love you, boy  
Nothing gold can stay  
Like love or lemonade  
Or sun or summer days  
It's all a game to me anyway

(I like you a lot)  
Putting on my music while I'm watching the boys  
(So I do what you want)  
Singing soft grunge just to soak up the noise  
(Blue Ribbons on ice)  
Playing their guitars, only one of my toys  
(Cause I like you a lot)  
No holds barred, I've been sent to destroy, yeah

Putting on my music while I'm watching the boys  
Putting on my music while I'm watching the boys
