What's the pressure – Laura Tesoro

Don't ask me why the sun is shining Long after the day is done The evening falls, the bright lights Bring out the best in me

I see massive walls weighing down the people all around They don't seem to mind at all And i will try to stand my ground Won't be bound Bring out the best in me

What's the pressure?
You will grow
You will know in the end
This is fiction
It's in your mind
Live your life instead

Don't ask me why the sun is shining Brings me all the joy and hope in live Even though these rules they' Tryin' to take over me Tryin' to take over me

I see massive walls weighing down the people all around They don't seem to mind at all I will try to stand my ground Won't be bound Bring out the best in me

What's the pressure?

You will know in the end
This is fiction
It's in your mind
Live your life instead
