## The Miseducation of Lauryn Hill – Lauryn Hill

My world it moves so fast today The past it seems so far away And life squeezes so tight that I can't breathe And every time I try to be, What someone else has thought of me So caught up, I wasn't able to achieve

But deep in my heart, the answer it was in me And I made up my mind to define my own destiny

I look at my environment And wonder where the fire went What happened to everything we used to be I hear so many cry for help Searching outside of themselves Now I know his strength is within me

And deep in my heart, the answer it was in me And I made up my mind to define my own destiny

And deep in my heart And deep in my heart, the answer it was in me And I made up my mind to define my own destiny
