

# Modern Loneliness – Lauv

I've been thinking about my father lately  
The person that he made me  
The person I've become  
And I've been trying to  
Fill all of this empty  
But fuck I'm still so empty  
Yeah, I could use some love  
And I've been trying to  
Find a reason to get up  
Been trying to find a reason for this stuff  
In my bedroom and my closet,  
The baggage in my heart  
Is still so dark  
Modern loneliness  
We're never alone but always depressed, yeah  
Love my friends to death  
But I never call and I never text  
La di da di da, yeah  
You get what you give  
And you give what you get, so  
Modern loneliness  
We love to get high  
But we don't know how to come down  
If I could break my DNA to pieces  
Rid of all my demons  
If I could cleanse my soul  
Then I could fill the world  
With all my problems  
But shit that wouldn't solve them  
So I'm left here alone  
And I've been trying to find  
A reason to get up  
Been trying to find a reason for this stuff  
In my bedroom and my closet,  
The baggage in my heart  
Is still so dark

Modern loneliness

We're never alone but always depressed, yeah

Love my friends to death

But I never call and I never text

La di da di da, yeah

You get what you give

And you give what you get, so

Modern loneliness

We love to get high but

We don't know how to come down,

Down, down, down, down, down

We don't know how to come down,

Down, down, down, down, down

We don't know how to come down,

Down, down, down, down, down

We don't know how to come down,

Down, down, down, down, down

We don't know how to come down

Modern loneliness

We're never alone but always depressed, yeah

Love my friends to death

But I never call and I never text

La di da di da, yeah

You get what you give

And you give what you get, so

Modern loneliness

We love to get high but we

Don't know how to come down,

Down, down, down, down, down

We don't know how to come down,

Down, down, down, down, down

We don't know how to come down,

Down, down, down, down, down

We don't know how to come down,

Down, down, down, down, down

We don't know how to come down

Modern loneliness

We're never alone but always depressed, yeah
