

The Curse of the Sad Mummy – League of Legends

Every child in Valoran has heard the tale before
About the cursed mummy boy who felt his heart no more
So sad and lorn, the helpless lad, Amumu was his name
He ventured out to find a friend and learn about his bane

For many years, young Amumu traveled through the lands
Determined to make friends, if only they would understand
But even when Amumu stood upon the ledge of home
His hope would disappoint him, and he would remain alone

But then the curse began to whisper in his ear
And would confirm what was Amumu's biggest fear
It pledged that never shall someone become his friend
It pledged that he shall be alone until his end

The sorrow and despair
Became too much to bear

The moment when Amumu realized what he had done
Too late it was, for him, for them, the evil curse had won
The anger and the anguish overwhelmed his fragile soul
And caused a wicked tantrum that he never could control
