

# Can't fight the moonlight – LeAnn Rimes

Under a lovers' sky  
Gonna be with you  
And noone's gonna be around  
If you think that you won't fall  
Well just wait until  
Til the sun goes down

Underneath the starlight - starlight  
There's a magical feeling - so right  
It'll steal your heart tonight

You can try to resist  
Try to hide from my kiss  
But you know  
But you know that you can't fight the moonlight  
Deep in the dark  
You'll surrender your heart  
But you know  
But you know that you can't fight the moonlight  
No, you can't fight it  
It's gonna get to your heart

There's no escape from love  
Once a gentle breeze  
Weaves it's spell upon your heart  
No matter what you think  
It won't be too long  
Til your in my arms

Underneath the starlight - starlight  
We'll be lost in the rhythm - so right  
Feel it steal your heart tonight

You can try to resist  
Try to hide from my kiss  
But you know

But you know that you can't fight the moonlight  
Deep in the dark  
You'll surrender your heart  
But you know  
But you know that you can't fight the moonlight  
No you can't fight it  
No matter what you do  
The night is gonna get to you

Don't try then  
You're never gonna win

Underneath the starlight - starlight  
There's a magical feeling - so right  
It will steal your heart tonight

You can try to resist  
Try to hide from my kiss  
But you know  
But you know that you can't fight the moonlight  
Deep in the dark  
You'll surrender your heart  
But you know  
But you know that you can't fight the moonlight  
No, you can't fight it

You can try to resist  
Try to hide from my kiss  
But you know  
Don't you know that you can't fight the moonlight  
Deep in the dark  
You'll surrender your heart  
But you know  
But you know that you can't fight the moonlight  
No, you can't fight it  
It's gonna get to your heart
