

My Elusive Dreams – Lee Hazelwood and Nancy Sinatra

(Ja) I followed you to Texas

I followed you to Utah

(Ty) We didn't find it there, so we moved on

(Ja) I followed you to Alabama

Things looked good in Birmingham

(Ty) We didn't find it there, so we moved on

(Razem) I know you're tired of following

My elusive dreams and schemes

For they're only fleeting things

My elusive dreams

(Ja) I had your child in Memphis

You heard of work in Nashville

(Ty) We didn't find it there, so we moved on

To a small farm in Nebraska

To a gold mine in Alaska

(Ja) We didn't find it there, so we moved on

(Ty) And now we've left Alaska

Because there was no gold mine

(Ja mówione) But this time, only two of us moves on

And now all we have is each other

And a little memory to cling to

(Ty) And still you won't let me go on alone

(Razem) I know you're tired of following

My elusive dreams and schemes

For they're only fleeting things

My elusive dreams

(Razem) For they're only fleeting things

My elusive dreams
