

# Taken By A Stranger – Lena Meyer-Landrut

She's got luck all in her eye  
He knows her cat-call  
Can't escape from telling lies  
I heard her saying  
Heeeeey, mind if I take this chair?  
Heeeeey, mind if I take this chair?  
He drops a pause  
She looks annoyed  
But she's so mean  
He thinks she has to be the one  
Taken by a stranger  
Stranger things are starting to begin  
Lured into the danger  
Trip me up and spin me round again  
You got some coffee on your collar  
And you forgot to comb your hair  
I can't wait till I do better  
You're here and I don't care  
Can't help it if you like it  
Cause I won't be here tomorrow  
No-one ever told you  
That you wouldn't be rejected  
Taken by a stranger  
Stranger things are starting to begin  
Lured into the danger  
(Danger is a risky business)  
Trip me up and spin me round again  
Taken by a stranger  
Stranger things are starting to begin  
Lured into the danger  
(Danger is a risky business)  
Trip me up and spin me round again
