Stillness of Heart – Lenny Kravitz

I'm out here on the street There's no one left to meet The things that were so sweet No longer move my feet But I keep trying I keep on trying All that I want is Stillness of heart So I can start To find my way Out of the dark And into your heart I got more than I can eat A life that can't be beat Yet still I feel this heat I'm feeling incomplete What am I buying? My soul is crying All that I want is Stillness of heart So I can start To find my way Out of the dark And into your heart All that I want is Stillness of heart So I can start To find my way Out of the dark And into your heart Where's the love? What is this world we live in? Where's the love? We've got to keep on giving Where's the love? What happened to forgiving?

Anyone? All that I want is Stillness of heart So I can start To find my way Out of the dark And into your heart All that I want is Stillness of heart So I can start To find my way Out of the dark And into your heart All that I want is Stillness of heart So I can start To find my way Out of the dark And into your heart
