

# A moment like this – Leona Lewis

What if I told you it was all meant to be?  
Would you believe me, would you agree?  
It's almost that feeling that we've met before  
So tell me that you don't think I'm crazy,  
When I tell your love has come here and now

A Moment like this  
Some people wait a lifetime  
For a moment like this  
Some people search forever  
For that one special kiss  
I can't believe it's happening to me  
Some people wait a lifetime  
For a moment like this

Everything changes, but beauty remains  
Something so tender I can't explain  
Well I may be dreaming but 'til I awake  
Can we make the dream last forever?  
And I'll cherish all the love we share

A Moment like this  
Some people wait a lifetime  
For a moment like this  
Some people search forever  
For that one special kiss  
I can't believe it's happening to me  
Some people wait a lifetime  
For a moment like this

Could this be the greatest love of all?  
I wanna know that you will catch me when I fall  
So let me tell you this  
Some people wait a lifetime for a moment like this

A Moment like this

A Moment like this  
Some people wait a lifetime  
For a moment like this  
Some people search forever  
For that one special kiss  
I cant believe its happening to me  
Some people wait a lifetime  
For a moment like this

A Moment like this  
Some people wait a lifetime  
For a moment like this  
Some people search forever  
For that one special kiss  
I cant believe its happening to me  
Some people wait a lifetime  
For a moment like this
