

# Someone You Loved – Lewis Capaldi

I'm going under, and this time  
I fear there's no one to save me  
This all or nothing really got  
A way of driving me crazy  
I need somebody to heal  
Somebody to know  
Somebody to have  
Somebody to hold  
It's easy to say  
But it's never the same  
I guess I kinda liked the way  
You numbed all the pain  
Now, the day bleeds into nightfall  
And you're not here  
To get me through it all  
I let my guard down  
And then you pulled the rug  
I was getting kinda used to being  
Someone you loved  
I'm going under, and this time  
I fear there's no one to turn to  
This all or nothing way of loving  
Got me sleeping without you  
I need somebody to know  
Somebody to heal  
Somebody to have  
Just to know how it feels  
It's easy to say  
But it's never the same  
I guess I kinda like the way  
You help me escape  
Now, the day bleeds into nightfall  
And you're not here  
To get me through it all  
I let my guard down  
And then you pulled the rug

I was getting kinda used to being  
Someone you loved  
And I tend to close my eyes  
When it hurts sometimes  
I fall into your arms  
I'll be safe in your sound till  
I come back around  
For now, the day bleeds into nightfall  
And you're not here  
To get me through it all  
I let my guard down  
And then you pulled the rug  
I was getting kinda used to being  
Someone you loved  
But now the day bleeds into nightfall  
And you're not here  
To get me through it all  
I let my guard down  
And then you pulled the rug  
I was getting kinda used to being  
Someone you loved  
Let my guard down  
And then you pulled the rug  
I was getting kinda used to being  
Someone you loved
