

# Someone You Loved – Lewis Capaldi

I'm going under  
And this time I fear there's no one to save me  
This all or nothing really got a way of driving me crazy  
I need somebody to heal  
Somebody to know  
Somebody to have  
Somebody to hold  
It's easier to say  
But it's never the same  
I guess I kinda liked the way you numbed all the pain

Now the day bleeds  
Into nightfall  
And you're not here  
To get me through it all  
I let my guard down  
And then you pulled the rug  
I was getting kinda used to being someone you loved

I'm going under  
And this time I fear there's no one to turn to  
This all or nothing  
Way of loving got me sleeping without you  
Now, I need somebody to know  
Somebody to heal  
Somebody to have  
Just to know how it feels  
It's easy to say but it's never the same  
I guess I kinda liked the way you helped me escape

Now the day bleeds  
Into nightfall  
And you're not here  
To get me through it all  
I let my guard down  
And then you pulled the rug

I was getting kinda used to being someone you loved

And I tend to close my eyes when it hurts sometimes  
I fall into your arms  
I'll be safe in your sound 'til I come back around

For now the day bleeds  
Into nightfall  
And you're not here  
To get me through it all  
I let my guard down  
And then you pulled the rug  
I was getting kinda used to being someone you loved

But now the day bleeds  
Into nightfall  
And you're not here  
To get me through it all  
I let my guard down  
And then you pulled the rug  
I was getting kinda used to being someone you loved

I let my guard down  
And then you pulled the rug  
I was getting kinda used to being someone you loved
