

Someone You Loved – Lewis Capaldi

I'm going under, and this time
I fear there's no one to save me
This all or nothing really got
a way of driving me crazy
I need somebody to heal
Somebody to know
Somebody to have
Somebody to hold
It's easy to say
But it's never the same
I guess I kinda liked the way
you numbed all the pain
Now, the day bleeds into nightfall
And you're not here
To get me through it all
I let my guard down
And then you pulled the rug
I was getting kinda used to being
someone you loved
I'm going under, and this time
I fear there's no one to turn to
This all or nothing way of loving
got me sleeping without you
I need somebody to know
Somebody to heal
Somebody to have
Just to know how it feels
It's easy to say
But it's never the same
I guess I kinda like the way
you help me escape
Now, the day bleeds into nightfall
And you're not here
To get me through it all
I let my guard down
And then you pulled the rug

I was getting kinda used to being
someone you loved
And I tend to close my eyes
when it hurts sometimes
I fall into your arms
I'll be safe in your sound till
I come back around
For now, the day bleeds into nightfall
And you're not here
To get me through it all
I let my guard down
And then you pulled the rug
I was getting kinda used to being
someone you loved
But now the day bleeds into nightfall
And you're not here
To get me through it all
I let my guard down
And then you pulled the rug
I was getting kinda used to being
someone you loved
Let my guard down
And then you pulled the rug
I was getting kinda used to being
someone you loved
