

# Someone you loved – Lewis Capaldi

Ja: I'm going under and this time  
I fear there's no one to save me

Ty: This all or nothing  
Really got a way of driving me crazy

Ja: I need somebody to heal  
Somebody to know  
Somebody to have  
Somebody to hold

Ty: It's easy to say  
But it's never the same  
I guess I kinda liked the way you numbed all the pain

Ja: Now the day bleeds  
Into nightfall  
And you're not here  
To get me through it all

Ty: I let my guard down  
And then you pulled the rug

Razem: I was getting kinda used to being someone you loved

Ty: I'm going under  
And this time I fear there's no one to turn to

Ja: This all or nothing way of loving  
Got me sleeping without you

Ty: Now, I need somebody to know  
Somebody to heal  
Somebody to have  
Just to know how it feels

Razem: It's easy to say  
But it's never the same  
I guess I kinda liked the way you helped me escape

Ty: Now the day bleeds  
Into nightfall

Ja: And you're not here  
To get me through it all

Razem: I let my guard down  
And then you pulled the rug  
I was getting kinda used to being someone you loved  
And I tend to close my eyes when it hurts sometimes  
I fall into your arms  
I'll be safe in your sound till I come back around

Ty: For now the day bleeds  
Into nightfall  
And you're not here  
To get me through it all

Ja: I let my guard down  
And then you pulled the rug  
I was getting kinda used to being someone you loved

Razem: But now the day bleeds  
Into nightfall  
And you're not here  
To get me through it all  
I let my guard down  
And then you pulled the rug  
I was getting kinda used to being someone you loved  
I let my guard down  
And then you pulled the rug  
I was getting kinda used to being someone you loved
