

Wish You The Best – Lewis Capaldi

I miss knowing what you're thinking
And hearing how your day has been
Do you think you could tell me everything,
Darling?
But leave out every part about him
Right now you're probably by the ocean
While I'm still out here in the rain
With every day that passes
By since we've spoken
It's like Glasgow seems further from LA
Maybe it's supposed to be this way
But, oh my love
I wanna say, "I miss the green in your eyes"
And when I said we could be friends,
Guess I lied
I wanna say, "I wish that you never left"
Oh, but instead, "I only wish you the best"
I wanna say, "Without you, everything's wrong"
And you were everything I need all along
I wanna say, "I wish that you never left"
Oh, but instead, "I only wish you the best"
Well, I can't help but notice
You seem happier than ever now
And I guess that I should tell you that
I'm sorry
It seems I was the problem somehow
Maybe I only brought you down
But, oh my love
I wanna say, "I miss the green in your eyes"
And when I said we could be friends,
Guess I lied
I wanna say, "I wish that you never left"
Oh, but instead, "I only wish you the best"
I wanna say, "without you, everything's wrong"
And you were everything I need all along
I wanna say, "I wish that you never left"

Oh, but instead, "I only wish you the best"

But, oh, my love

Oh, woah

Oh, my love

Oh, woah

Oh, ooh

Wish I could say it's something I really mean

But I want you happy whether not it's with me

I wanna say, "I wish that you never left"

Oh, but instead, "I only wish you the best"

I wanna say, "Without you, everything's wrong"

And you were everything I need all along

I wanna say, "I wish that you never left"

Oh, but instead, "I only wish you the best"
