

Liar – Silia Kapsis

Waking up in the morning and I'm,
I'm feeling like ooh-la-la
It's about to go down 'cause
I found out the truth, la-la
Nine o'clock in the morning and
I know this is our last night
I know what I'm doing 'cause,
Yeah, I got it on black and white
Should've known that you are a liar
But I look the other way
Should've known you're a troublemaker
But you act too nice to hate
I know we couldn't get much higher
But you promised the world to me
Do you see that you light my fire?
Now I know what I do
Because of you
I'll make it through
Take a look at yourself
'cause that's what you need
To do,
to do
'Cause the only problem
In this room is about you,
'bout you
'Cause you're a liar
(-----)
Liar, liar, liar
Yeah, yeah, yeah
(-----)
You liar, liar, liar, liar
Yeah, yeah, yeah
Waking up in the morning and I'm,
I'm feeling like ooh-la-la
Now I know that your heart and your
Mind's on the line, la-la

I can see it in your eyes that you,
Don't like to be this way
I know that you're fighting back,
Guys like you can't be changed
Should've known that you are a liar
But I look the other way
Should've known you're a troublemaker
But you act too nice to hate
I know we couldn't get much higher
But you promised the world to me
Do you see that you light my fire?
Now I know what I do
Because of you
I'll make it through
Take a look at yourself
'cause that's what you need
To do,
to do
'Cause the only problem
In this room is about you,
'bout you
'Cause you're a liar
(-----)
Yeah, yeah, yeah
(-----)
Yeah, yeah, yeah
(-----)
Because of you
I'll make it through
Take a look at yourself
'cause that's what you need
To do,
to do
'Cause the only problem
In this room is about you,
'bout you
'Cause you're a liar
