You And Me – Lifehouse

What day is it? And in what month? This clock never seemed so alive I can't keep up and I can't back down I've been losing so much time Cause it's you and me and all of the people With nothing to do Nothing to lose And it's you and me and all of the people And I don't know why, I can't keep my eyes off of you All of the things that I want to say Just aren't coming out right I'm tripping on words You've got my head spinning I don't know where to go from here Cause it's you and me and all of the people with nothing to do Nothing to prove And it's you and me and all of the people And I don't know why, I can't keep my eyes off of you There's something about you now I can't quite figure out Everything she does is beautiful Everything she does is right Cause it's you and me And all of the people with nothing to do Nothing to lose And it's you and me and all of the people And I don't know why, I can't keep my eyes off of You And me and all of the people With nothing to do Nothing to prove And it's you and me and all of the people

And I don't know why, I can't keep my eyes off of you What day is it? And in what month? This clock never seemed so alive
