

When I Lie – lil peep

All they do is try
Woke up on a lonely day
She can't help but wonder why, yeah
Many men have tried to save her
But all they do is try
(All they do is try)
Woke up on a lonely day,
She can't help
But wonder why?
(But wonder why)
I saw it on her face,
She wanna make those fuckers cry
(Those fuckers cry)
She ends up in a better place and time
When she get high
Stick that needle in my eye,
Just lost my peace of mind
(Peace of mind)
I'm not evil by design,
But I feel dead at times
(Dead at times)
Stick that needle in my eye,
Just lost my peace of mind
(Peace of mind)
Stick that needle in my eye
She won't come with me
(Come with me)
She ain't gonna run with me
(Run with me)
Now I'm breaking down again
(Now I'm breaking down again)
Blue skies start turning grey,
When I tell her that I'm fine
(that I'm fine)
Ash on the windowpane,
Can I kiss you on your spine?

(Kiss you on your spine)
I watched her walk away,
But don't tell me she ain't mine
(she ain't mine)
She's got this little
Blade and she cuts me when I lie
(Cuts me when I lie)
When I lie
Cuts me when I lie
When I lie, yeah
Many men have tried to save her but
All they do is try
(All they do is try)
Woke up on a lonely day,
She can't help but wonder why?
(But wonder why)
I saw it on her face, she wanna
Make those fuckers cry
(Those fuckers cry)
She ends up in a better place and time
When she get high
Stick that needle in my eye,
Just lost my peace of mind
(Peace of mind)
I'm not evil by design,
But I feel dead at times
(Dead at times)
Stick that needle in my eye,
Just lost my peace of mind
(Peace of mind)
Stick that needle in my eye
When I lie
Cuts me when I lie
When I lie
Cuts me when I lie
When I lie
Cuts me when I lie
When I lie, yeah
