

Congratulations – Lin Manuel Miranda & Renée Elise Goldsberry

Angelica

Alexander

Congratulations

You have invented a new kind of stupid

A 'damage you can never undo' kind of stupid

An 'open all the cages in the zoo' kind of stupid

'Truly, you didn't think this through?'

Kind of stupid

Let's review

You took a rumor a few maybe two people knew

And refuted it by sharing an affair

Of which no one has accused you

I begged you to take a break, you refused to

So scared of what your enemies will do to you

You're the only enemy you ever seem to lose to

You know why Jefferson can do what he wants?

He doesn't dignify school-yard taunts

With a response!

So yeah, congratulations!

Angelica

You've redefined your legacy

Congratulations

It was an act of political sacrifice!

Sacrifice?

I languished in a loveless marriage in London

I lived only to read your letters

I look at you and think

'God, what have we done with our lives

and what did it get us?'

That doesn't wipe the tears or the years away
But I'm back in the city and I'm here to stay
And you know what I'm here to do?

Angelica

I'm not here for you
I know my sister like I know my own mind
You will never find anyone as trusting or as kind
And a million years ago she said to me
'This one's mine'
So I stood by
Do you know why?
I love my sister more than anything in this life
I will choose her happiness over mine everytime
Eliza

Is the best thing in our lives
So never lose sight of the fact
That you have been blessed
With the best wife
Congratulations
For the rest of your life
Every sacrifice you make is for my sister
Give her the best life
Congratulations!
